

Who are the Hazchem Network?

The Hazchem Network is the only group of hauliers specialising in delivering hazardous goods, business to business, in the UK

60+ hauliers providing full next day and economy delivery coverage of the UK, Ireland and Europe including a suite of timed delivery services

Specially trained and accredited hauliers, delivering to your customers with the **highest level of safety and integrity**

Contact us on: 01525 244700
email: sales@miniclipper.co.uk

Why use your local Hazchem member Miniclipper?

Miniclipper is linked with the network via a super-safe centralised hub facility. This cost-efficient transport solution for 1-10 pallet consignments is also the “go-to” for chemical transport advice

What we can offer

- ✓ Full pallet
- ✓ Half pallet
- ✓ IBCs
- ✓ Parcels

Plus extra services on request

How it Works

Leave the logistics to us...
